

## BEAU BONHOMME BLANCO ORGANIC

Grape varieties: 100% Verdejo

### Vineyards:

All grapes come from certified organic vineyards planted with Verdejo on sandy soils enriched with alluvial deposits. A layer of clay deeper in the subsoil helps retain moisture during the hot summer months, ensuring balanced vine growth and optimal ripening

### Vinification:

The grapes were harvested by hand. After a gentle pressing, the must was fermented in temperature-controlled stainless steel tanks to preserve the freshness and the typical aromatic profile of the Verdejo variety.
